

SLS INTERNATIONAL GURUKUL

Annual Report 2021-2022

The Annual Report of SLS INTERNATIONAL GURUKUL, articulates and demonstrates the dynamic nature of our school and our commitment to excellence. The report also provides some idea about the way resources have been used to provide quality teaching and learning environments for our children during this Covid-19 period. The school collectively has an enthusiastic and dedicated team of Teaching, Non-Teaching and Supporting staff. Their coordination with each other is what enables the school to function smoothly and grow with new perspectives. Innovation is the change that unlocks new value which leads to success. The school continues to strive towards innovation and for that the latest practices in the field of education are being continuously incorporated.

ACADEMICS

Academic is the core focus of our school. All the possible efforts have been taken and, we will continue to take, to ensure academic excellence in our school. We believe that excellence in academics is the hall mark of our school, as a good institution.

ONLINE CLASSES

Our biggest achievement in the session 2021-22 was to conduct the online classes successfully with the helping hand of the parents. Keeping in view of the standards in education, the child's academic performance was measured in a series of Formative and Summative examinations with a lot of emphasis on learning through doing process. The academic year 2021-2022 commenced with the exclusive online classes initially, later a hybrid model of online as well as face to face classes were introduced.
